Co-sponsored by Susan Bulkeley Butler Center for Leadership Excellence
Fall 2020**

As current events related to COVID-19 bring many new challenges to us all, ACE Women's Network of Indiana is organizing a 'townhall' virtual series. Each session features three speakers and will be for 90 minutes between noon and 1:30 pm. Each speaker will make remarks for about 10 minutes and then the forum will be open to comments/Q&A. The series is co-sponsored by the Susan Bulkeley Butler Center for Leadership Excellence, Purdue University. An email with a registration link will be sent ahead of each session.
